### **GENERAL RELEASE**

#### **“VICTORY STARTS HERE”**

The undersigned seeks to participate in a Powerlifting competition sanctioned by the American Powerlifting Federation (APF) and American Powerlifting Federation and Amateur American Powerlifting Federation (APF/AAPF) at Big Wayne's Gym on May 16, 2015.

Participation in this meet is a privilege and all participants must be members in good standing of the American Powerlifting Federation and Amateur American Powerlifting Federation.

As a condition of participation, the member must agree to the following and execute this General Release. (Any member, who does not wish to sign this, shall receive a refund of entry fees.)

In consideration of being permitted to participate in the Powerlifting competition being held, the undersigned Lifter, hereby Releases Kieran Kidder, the American Powerlifting Federation and Amateur American Powerlifting Federation, Big Wayne's Gym, Eric Hubbs, the staff of such organizations, their officers and employees, the sponsors of the event, and all persons associated there with or rendering service thereto, from any responsibility or liability for any injury or personal loss to the Lifter, including those caused by the negligent act or omission arising out of or connected with my participation in the Powerlifting competition or the use of any equipment at the Powerlifting competition.

In signing this Release form, Lifter acknowledges and represents the following:

- 1) Powerlifting is a strenuous athletic event. As a sport, accidents can and do happen periodically as a result of the normal danger involved.
- 2) There is a risk of participation. Lifter recognizes this risk and accepts it. Lifter shall have the duty to examine all equipment prior to use and immediately inform the proper people of any dangerous condition observed in the equipment, personnel or event venue. The lifter has sole responsibility for the condition of his personal lifting gear i.e. bench press shirts, lifting suits, belts, wraps, and other lifting gear and it is the responsibility of the lifter to wear such gear in a manner that is safe and least likely to result in injury. The APF/AAPF and its meet directors, officials, and meet employees are not responsible for lifting gear blowouts, tears, or any defects in lifting gear. Lifter fully understands the risks of the use of powerlifting gear – especially multi-ply gear in materials such as canvas, denim, and heavy duty polyester and represents to the APF/AAPF all gear used is in proper condition and being employed as intended.
- 3) Lifter is in excellent health and capable of performing the feats of strength attempted.
- 4) Lifter is the sole decider of the amount of weight to be lifted. Lifter will act in a reasonable manner at all times and not lift weights beyond a safe and prudent level.
- 5) Lifter has the right to bring his/her own spotters and assistants. If Lifter does not do so, Lifter may use such spotters as provided by the meet director, solely as a courtesy to Lifter.
- 6) Neither the APF/AAPF, nor any agent, servant nor employee of the APF/AAPF, nor any other competitor shall be liable to the Lifter for any harm or damage to Lifter, unless such harm is the result of the intentional or reckless conduct of such person, which conduct shall not be imputed to any other person or organization. No action for negligent entrustment shall exist.
- 7) Lifter will be responsible for his/her behavior and acts and those of his/her guests. If Lifter does not act in accord with the rules of the APF/AAPF for competition or behavior, he/she may be asked to leave the event immediately by an event director and will do so voluntarily and shall forfeit all fees paid. In the event litigation should occur, Lifter shall be responsible for payment of the reasonable attorney's fees of the successful party.
- 8) This Release is reasonable, executed freely, without duress or undue influence, and after opportunity for careful and independent review.
- 9) I understand there is random drug testing by urinalysis on a minimum of 10% of all AAPF lifters. AAPF/AWPC policy permanently bans any lifter testing positive for a banned substance.
